Dear "Doc",

On behalf of the Nevada Athletic Commission, I want to commend you and John McCarthy for your outstanding seminar and workshop that took place on May 1st. The seminar was very informative and everybody in attendance benefited from it.

I recommend this seminar to every state commission who regulates MMA. We are all learning about the sport and the more information we can obtain, the better we will be able to officiate it.

Thanks again to you and John, and to Micha for filming the seminar. See you soon at the next MMA event.

Regards,
