Dear Mr. Hamilton:

I have just finished viewing your DVD entitled MMA101:Officiating-Referee.

In my opinion, this video should be required viewing for any Commission officials just beginning to regulate mixed martial arts. In addition, this video is a must for amateur referees or individuals seeking to become referees.

Your video can be used as a useful instructional tool which can benefit any referee as a beginner, or as a refresher course for those with experience.

Very truly yours,
